

↳ How to Install Extension

Once you placed the order you will receive link to download extension package in your email box.

You can also download extension package from your MyAccount > My Downloadable Products Section.

Step 1

Extract downloaded extension package in your magento root folder using FTP(File Transfer Protocol) Tools. For verification of root folder you can see some folders inside magento root folder like app,bin,lib,phpserver and vendor etc.

Step 2

Next Need to run some mageno commands to install extension in your system , so connect with your server via SSH and go to magento root folder (e.g : `cd /var/www/html/magentp243`) and run below commands one by one.

- `php bin/magento setup:upgrade`
- `php bin/magento setup:static-content:deploy-f`
- `php bin/magento indexer:reindex`
- `php bin/magento cache:clean`
- `php bin/magento cache:flush`
- `chmod-R 777 var/ pub/ generated/`

Step 3

if your all commands run successfully than login to your system Admin Panel and goto Store > Configuration , if you will see new Tab in left side bar with MageCurious Logo it means extension installed successfully.

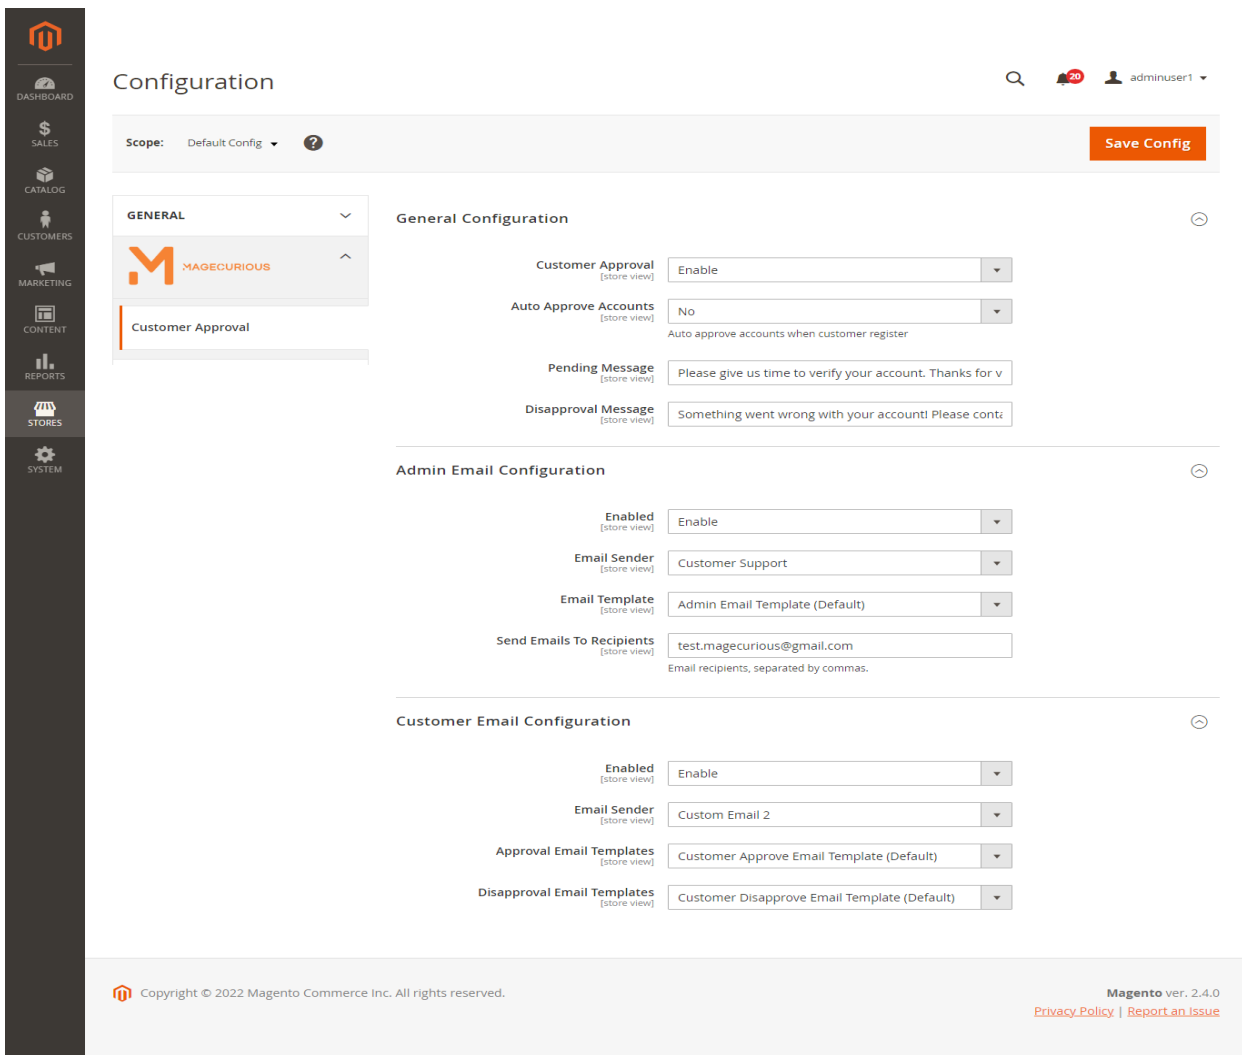

Hey !! You Installed Extension Successfully Now it's time to Configure Extension.

↳ How to Configure Extension

Step 1

To Configure Extension go to Stores > Configuration > MageCurious Tab > Customer Approval

Step 2

The screenshot displays the 'Configuration' page for the MageCurious extension. The left sidebar contains navigation options: DASHBOARD, SALES, CATALOG, CUSTOMERS, MARKETING, CONTENT, REPORTS, STORES, and SYSTEM. ➤ In the frontend

- Pending Message for Account Creation and Login if customer account does not approved

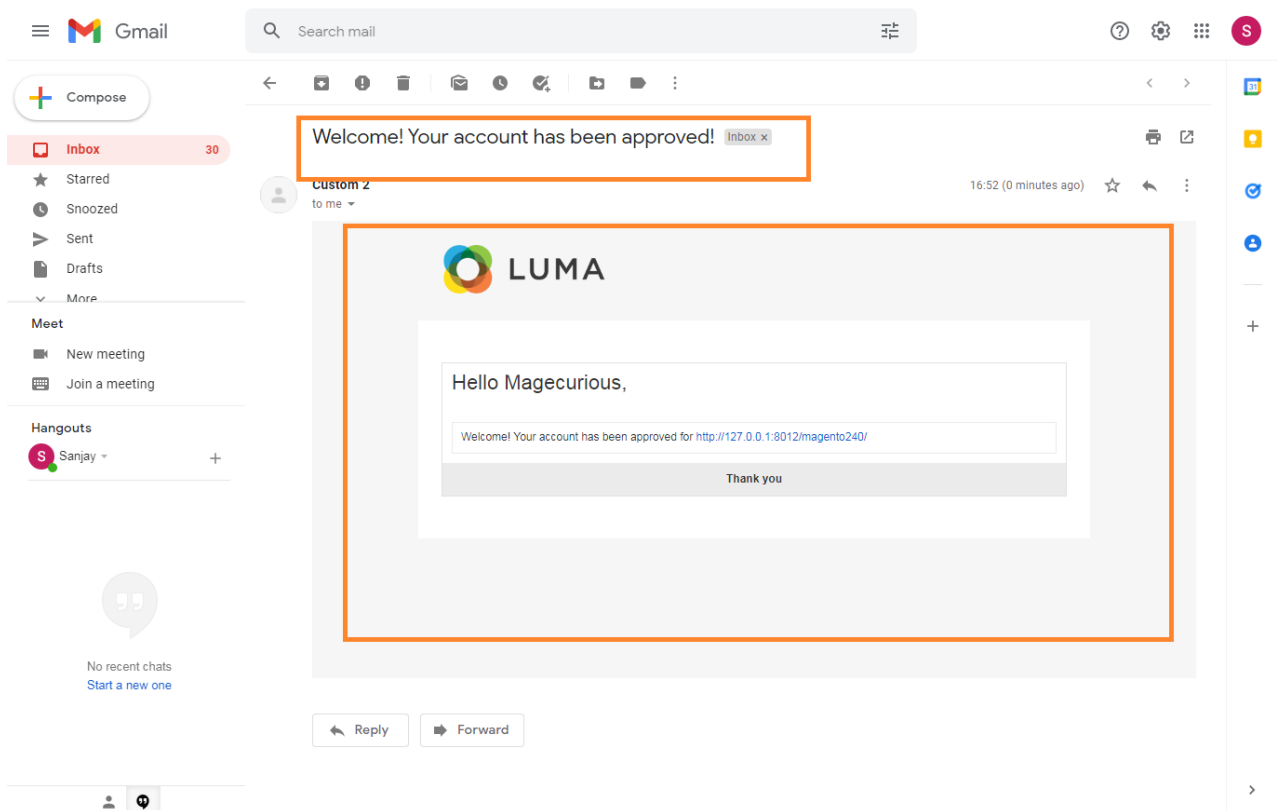

The screenshot displays the LUMA storefront. At the top right, there is a navigation bar with links for "Default welcome msg!", "Sign In", and "Create an Account". The main header features the LUMA logo, a search bar with the placeholder "Search entire store here...", and a shopping cart icon. Below the header is a "Gear" menu. The central content area is titled "Customer Login" and is divided into two columns: "Registered Customers" and "New Customers". A red error message box is highlighted, containing the text: "Please give us time to verify your account. Thanks for visiting us." The "Registered Customers" section includes a sign-in form with fields for "Email" (containing "test.magecurious@gmail.com") and "Password", a "Sign In" button, and a link for "Forgot Your Password?". The "New Customers" section includes a "Create an Account" button and a brief description of account benefits. At the bottom, there is a footer with links for "Search Terms", "Privacy and Cookie Policy", "Orders and Returns", "Contact Us", and "Advanced Search", along with a newsletter subscription form and a copyright notice: "Copyright © 2013-present Magento, Inc. All rights reserved."

- Next, a notification email will be sent to admin:

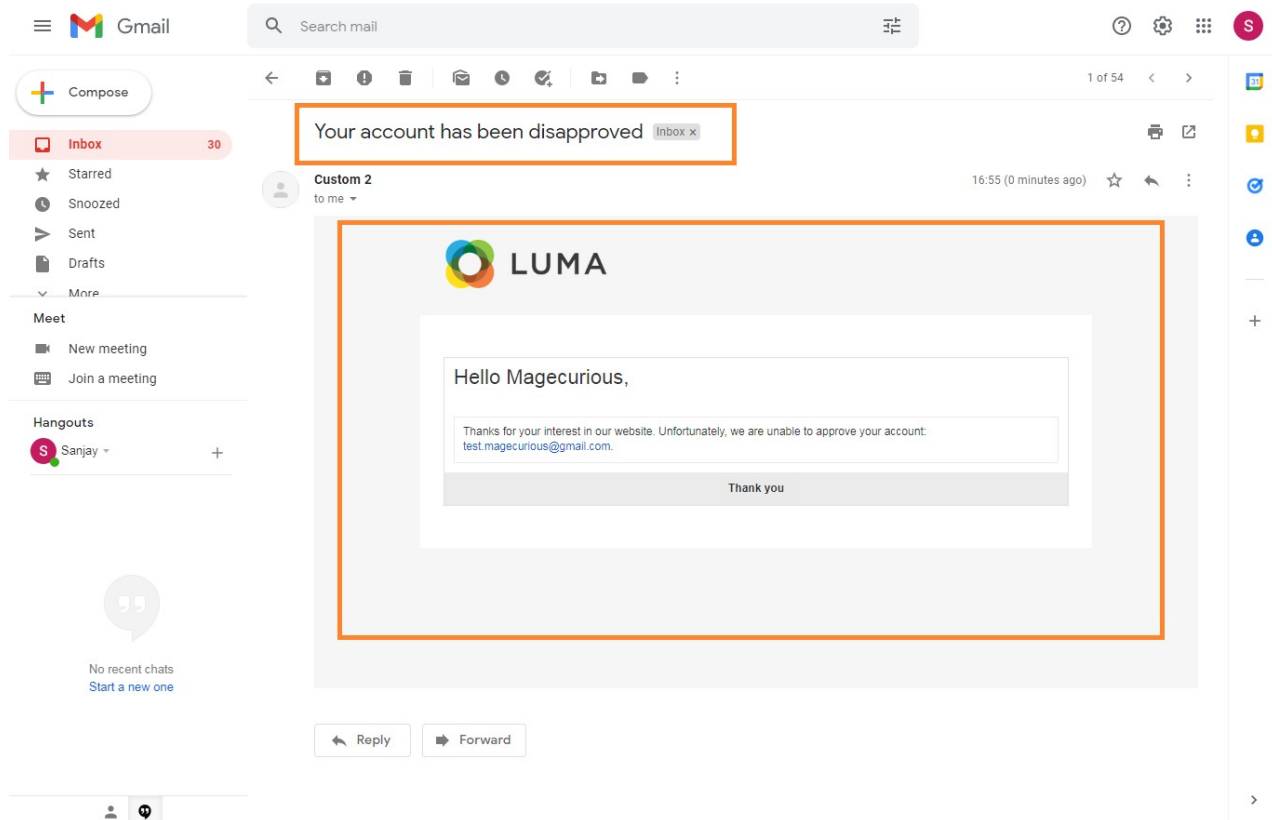

- Admin accepts or declines new accounts, there will be Approval or Disapproval emails sent to customers.

Here is an Approval email:

Here is a Disapproval email:

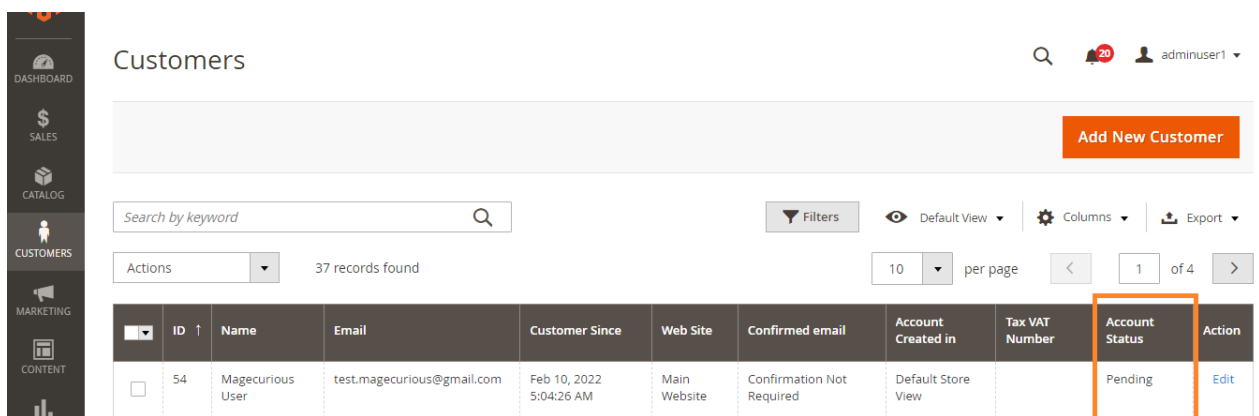

- When this customer signs in, if his account is still pending, then the Pending message will be displayed. In case his account is disapproved, there will be a Disapproved message:
