

## ↳ How to Install Extension

Once you placed the order you will receive link to download extension package in your email box.

You can also download extension package from your MyAccount > My Downloadable Products Section.

### Step 1

Extract downloaded extension package in your magento root folder using FTP(File Transfer Protocol) Tools. For verification of root folder you can see some folders inside magento root folder like app,bin,lib,phpserver and vendor etc.

### Step 2

Next Need to run some magento commands to install extension in your system , so connect with your server via SSH and go to magento root folder (e.g : `cd /var/www/html/magentp243`) and run below commands one by one.

- `phpbin/magentosetup:upgrade`
- `phpbin/magentosetup:static-content:deploy-f`
- `phpbin/magentoindexer:reindex`
- `phpbin/magentocache:clean`
- `phpbin/magentocache:flush`
- `chmod-R777 var/pub/generated/`

### Step 3

if your all commands run successfully than login to your system Admin Panel and goto Store > Configuration , if you will see new Tab in left side bar with MageCurious Logo it means extension installed successfully.

**Hey !! You Installed Extension Successfully Now it's time to Configure Extension.**

## ↳ How to Configure Extension

### Step 1

To Configure Extension go to Stores > Configuration > MageCurious Tab > **Whatsapp Share Cart**

### Step 2

The screenshot shows the 'Configuration' page in the Magento admin interface. The left sidebar has a 'GENERAL' tab selected. The main content area is titled 'General Configuration'. It contains three configuration fields:

- Whatsapp Share Cart** (store view): A dropdown menu with 'Enable' selected. A red label 'Extension Enable/Disable Option' points to this field.
- Whatsapp Share Cart Enable** (store view): A dropdown menu with 'Image' selected. A red label 'Button Type in cart page' points to this field.
- Default Sharing Message** (store view): A text area containing the message 'Hey, Check this product in below link'. A red label 'Default WhatsApp Sharing Message' points to this field.

At the top right of the configuration area, there is a 'Save Config' button. The top navigation bar shows 'Configuration' and a user profile 'admin'.

- **Enable:** Enable/Disable the limit per cart extension from here.
- **WhatsApp Share Cart Enable:** Shopping Cart Page Button Type Option.
- **Default Sharing Message:** WhatsApp Sharing Message.
